Award-winning sparkling wine from Dorset

2 FOR £45
MIX & MATCH

Scientific developments, new grape varieties and a shift in British climate, have allowed English wine production to flourish, with the sparkling variety in particular, gaining global recognition and giving Champagne a run for its money.

English Oak Vineyard in Dorset harvest the 'Noble' grape varieties used in champagne. Since their first vintage in 2019, they now produce an award-winning range of sparkling wines, two of which are available in the onboard duty-free shop, where you'll save 20% off the UK price.

CHINKAPIN ROSÉ
Early hints of intense red berry fruits delight on the palate, underlined with a wickedly addictive orange peel.

ENGELMANN CUVÉE
Lingering fresh lemons with summer blossom on the nose. Salted chocolate bars oozing with citrus on the palate.
