## TAITTINGER VINTAGE

*The nose combines flintiness with yeasty bread aromas giving way to an intense, sweet fruitiness of crystallized fruit, scents of lemon and mandarin with a flowery touch of acacia honey. On the palate, the fruity attack is fresh and rich. The mid-palate is smooth releasing flavours of sugared pink grapefruit. The finish is long, generous and complex. 75cl*

## MOËT & CHANDON ROSÉ IMPÉRIAL FESTIVE LIMITED EDITION

*Moët Brut Rosé Imperial reveals intense aromas of fresh red summer berries (strawberry, raspberry and red currant) with floral notes (rose, hawthorn) and a light peppery touch. 75cl*

## VEUVE CLIQUOT YELLOW LABEL BRUT SHOPPING BAG

*Ensuring that the bottle remains the ideal tasting temperature for two hours, the Shopping Bag offers an ideal accessory for a Veuve Clicquot moment. The initial notes of fruit are followed by more discreet aromas of brioche and vanilla when the wine is allowed to age in the bottle. 75cl*

**£36.95 TRAVEL EXCLUSIVE**

## BOLLINGER SPECIAL CUVÉE

*Bollinger is made from first-run juice only, and the majority of vineyards used have Premier and Grand Cru status, resulting in a full-bodied Champagne of great class. Delightful pale gold in colour, the mousse is light and persistent. 75cl*

## TAITTINGER BRUT NV TWIN PACK

## TAITTINGER ROSÉ

*An elegant wine, that's smooth on the palate, with persistent flavours of wild raspberry, cherry and blackcurrant. Presented in a gift box with two champagne flutes. 75cl*

**£41.95**

TAITTINGER IS ONE OF THE FEW FAMILY-OWNED INDEPENDENT CHAMPAGNE HOUSES IN REIMS. IT IS SITUATED ABOVE MILES OF CHALK TUNNELS AND 4TH CENTURY UNESCO LISTED CELLARS, WHICH ONCE BELONGED TO THE BENEDICTINE MONKS OF THE ABBEY OF ST NICAISE.

As one of Taittinger's top Champagnes, Comtes De Champagne is made from 100% Chardonnay grapes from 6 Grand Cru sites in the Côte de Blancs. It is the perfect marriage of delicacy and intensity with freshness and harmony, and the 2005 vintage reveals the full ageing potential typical of the great Chardonnays from this region.

## The taste

*A fresh nose opens on grilled, toasty notes, followed by aromas of candied citrus peel, lemon and vanilla tart, roasted almonds and finally a floral hint of dried flowers and lime blossom. Initially, the palate is dominated by the vivacious citrus fruit, especially ripe lemon. Mid palate the flavour is more delicate, with flavours of caramelised grapefruit. The rich finish reveals sweet liquorice notes.*

# DOM PÉRIGNON

FIRST RELEASED IN 1937

THIS BRAND OF VINTAGE CHAMPAGNE IS THE PRESTIGE CUVEE OF CHAMPAGNE HOUSE MOËT & CHANDON.

It was named after a 17th century Benedictine monk, Dom Pérignon who pioneered around 1670 winemaking techniques and was first to blend grapes in order to improve the quality of wine. He perfected the art of producing clear white wines from black grapes by clever manipulation of the presses; enhanced the tendency of Champagne wines to retain their natural sugar in order to naturally induce secondary fermentation and he was a master at deciding when to bottle these wines in order to capture the bubble.

#### Only the best

A rigorous selection process ensures that only the best grapes go into Dom Pérignon champagne, produced from Chardonnay and Pinot Noir grapes in roughly equal proportions.

In its youth, Dom Pérignon shows incredibly smooth, creamy fruit with perfect balance and weight. As it ages, it takes on wonderfully toasty aromas.

Since 2014, Dom Pérignon no longer uses the term oenothèque for its late-release Champagnes, but the word Plénitude. This style ages in a series of stages, producing "windows of opportunity, or plenitudes" when the Champagne can be disgorged and released to bring consumers a different expression of the same vintage. There are three plenitudes in the life of a given vintage - the first spans seven to eight years after the vintage, the second between 12 to 15 years (previously the first oenothèque release) and the third after around 30 years.

# DA LUCA

## FROM THE HEART OF SICILY

LOCATED IN THE HEART OF SICILY, THE WINES OF DA LUCA CELEBRATE THE RICH SICILIAN WINE-MAKING HERITAGE AND FLAIR FOR CREATIVITY - BOLD AND DISTINCTIVE THEY ARE UNMISTAKEABLY SICILIAN.

Da Luca work with many growers scattered across the island to nurture the finest grapes. The unique growing conditions of the hot Sicilian sun, cool sea breeze and the rich volcanic soils give the wines their intensity and complex flavours. The inspiration behind the imaginative packaging of Da Luca wines is the lively, local card game Scopa; very much a part of Sicilian life, it is played by families after dinner and growers amongst the vines.

### Prosecco - White Italian Sparkling Wine

Da Luca work with grape growers in Northern Italy to create a very fine Prosecco. With wonderful peach and apricot aromas, it has a fresh, zingy palate with just a touch of sweetness and a clean, lingering finish.

# ISLAND *infusions*

WHEADON'S GIN IS THE LATEST ADDITION TO CONDOR'S DUTY FREE GIN OFFERING. POURING TIME AND EFFORT INTO CRAFTING THE MOST EXQUISITE GINS POSSIBLE; WHEADON'S PRODUCE GINS IN WHICH FLAVOUR IS KING AND PROVENANCE IS KEY.

Great gin is all about balance; of flavours, scents, and accompaniments. Using traditional small batch distilling methods, in a copper still named 'Old Nick' that sits in the cellar lounge of Guernsey's Bella Luce Hotel, distiller Luke Wheadon achieves such balance with aplomb.

Everything is always the sum of its parts and Wheadon's Gin is no exception. In the creation of Wheadon's the finest local ingredients are paired with more exotic botanicals, creating a perfectly balanced gin with an expressive and unique flavour. The rock samphire foraged from Guernsey's rugged cliffs by Luke Wheadon imparts a delicate, slightly mineral flavour of the sea air to this island gin.

The founding of Wheadon's Gin marked the 150th year anniversary of the Wheadon Family's

involvement in the production and distribution of fine alcohol on Guernsey. It is this heritage combined with a passion for the finest ingredients and the island's maritime environment that is the inspiration behind Whadon's gin. Well, that and the love of an excellent G&T.

If this has piqued your interest, Wheadon's Gin also offer tasting experiences and the opportunity to design your own bespoke infusion at their small batch distillery in the Bella Luce Hotel. Learn about this fascinating spirit, select your favourite botanicals, and let Wheadon's distil your signature gin whilst you dine in the Bella's award winning restaurant.

## 4 GREAT GINS

In step with the current trend for gin, we've made sure we stock a noteworthy choice here in our onboard duty free shop. We've pulled out four artisanal gins below that we consider are definitely ones to try.

### HOUSE OF ELRICK

A premium and refreshing Scottish artisan gin distilled with hand-picked botanicals. It is the only spirit made with purified water taken directly from Loch Ness. A compliment of juniper, coriander seeds, angelica root and citrus peel, built around a core of heather, pink peppercorns, sweet fennel and rose petals results in a bold, aromatic taste profile that can be enjoyed over ice or as part of a delicious cocktail. 70cl **£29.95**

### CONKER

The Dorset Dry is a classic gin that's true to juniper. The subtle incorporation of the Dorset notes of marsh samphire, elderberries and handpicked New Forest gorse, brings bright and refreshing lighter notes to Conker. So, you will be surprised to find yourself happily sipping Conker straight over ice, taking you on a journey of sweet, sour, bitter and dry in one delicious package. 70cl **£29.95**

### BECKETTS

A small batch London dry gin. Their five-times distilled neutral grain spirit has just six botanicals added including Moroccan lime, Spanish sweet orange peel and mint grown by Becketts in Kingston-upon-Thames. However, the showstopper is the uniquely infused English juniper berries handpicked from Box Hill in Surrey. 70cl **£24.95**

### SLINGSBY RHUBARD

Firstly, you just can't ignore the beautiful packaging which took inspiration from a Victorian medicinal glass bottle. The key ingredients are hand-grown local plants synonymous with the restorative nature of Harrogate, complemented with water from the world-famous Harrogate aquifer, pure single grain spirit and a handful of the finest ingredients from around the world. All are expertly brought together and hand finished in North Yorkshire. 70cl **£34.95**

# G&T Tea-cup

CREATED WITH A NUMBER OF UNUSUAL TWISTS, THIS GIN DELIVERS A UNIQUELY DIFFERENT KIND OF GIN.

**Unlike ordinary gins,** Hendrick's is distilled in Scotland and uniquely made with infusions of cucumber and rose petals, supported by 11 other botanicals, imparting a wonderfully refreshing taste with a delightfully floral aroma

**Hendrick's is handcrafted** in miniscule batches of only 450 litres at a time and curiously distilled on two vintage stills – an antique Bennet from 1860 and a rare Carter-Head, of which only a handful exist. The Bennet creates a rich, complex spirit, whereas the Carter-Head yields a lighter, more delicate one, bathing botanicals in vapour to produce a supremely smooth spirit with subtle flavour characteristics. Marrying the two, results in a rare union of lightness and intricacy.
